DR BIKE SESSION

On Wednesday 17th May, Dr Bike from URGE cycles will be at our school offering FREE cycle checks in partnership with Wandsworth Council. Children will be able to bring their bike to the mechanic for an MOT 'style' safety check helping them to get to know their bike and for you to find out if their bikes are safe to ride or if they are in need of essential repairs.

Spaces are limited so book early by adding your child's name to appointment sheet on the notice board in the foyer (please see attached flyer).

Miss Norman's Marathon Run

So this Sunday I was lucky enough to be part of the 40,000+ fabulous people who ran the London Marathon and what a fantastic day it was! I would be totally lying if I said that it wasn't daunting, painful, scary and that I didn't cry at least twice, but I (eventually!) got to the finish line and I managed to smile most of the way, especially for pictures as I still wanted to attempt to look like I was breezing through it!

I found a huge amount of determination and will power from somewhere to keep my poor legs running for a whopping 26.2 miles. This was definitely down to the amazing support from everyone at Eveline Day School, the words of encouragement, the donations, everyone who came to my pub quiz and for the families who came to cheer me on, on the day. The children in Year 1, think I know everything! So obviously, they believed that I was going to be able to run the marathon as well. They were disappointed to hear that I hadn't come first but they did enjoy trying on my medal!

I limped my way back to school on Wednesday and was greeted with a lovely card and many congratulations from staff, children and parents, so thank you for the great welcome back!

Best part – with only 200 yards to go I overtook a man dressed in an enormous rhino outfit and a man running with a washing machine on his back. Both of which had obviously been running faster than me the whole way (a bit embarrassing!)

The worst part – (well there were a few) but I'm going to pretend there weren't! Although I am a bit annoyed I didn't see Prince Harry!

Thank you again for all your support!

Miss Norman

Juniper Hall

On Wednesday 19th of April Years Two and Three went to the fresh, green countryside, on their residential trip to Juniper Hall. As they sat on the clean, comfortable coach the excitement was running through their veins. When the children arrived, they were shown to their rooms which were in a little house. They then met their joyful teacher, Lisa. Afterwards, they went on their first adventure, following clues and using a compass, searching for the hidden treasure. They finally identified the treasure which was a delicious cake! By then it was time for dinner. As sunset arrived and darkness fell, Lisa took the children mammal trapping. After the first exciting but tiring day, they all went to bed to dream about the exciting day ahead.

The following day the children created their own personalised sandwiches and went for a mouth-watering breakfast. They then went to check the mammal traps to see if they had caught anything. Everyone was gleaming with joy as some children had caught mammals. The next challenging activity was pond dipping. Within the first minute Isabella captured a colourful Newt and felt astonished. The last activity on day 2 was mini beast hunting which ended with a fascinating slug race. The children were all tired but happy and had enjoyed their time at Juniper Hall.

Richmond Park Walk

We are looking forward to our walk around Richmond Park on 13th May. All families are welcome to walk with us and afterwards join together for a picnic. If you can't make that date, please sponsor our students and teachers. We will leave a sponsor sheet at the entrance desk. The proceeds will go towards "Children with Cancer", Miss Norman's chosen charity to support her London Marathon.
