Lower Reception Graduation

On 27th June our Lower Reception class performed some lively songs in their beautiful, smart outfits for their Graduation. We were all lucky to have good weather for the celebration, which took place in our garden. Parents, grandparents and friends came to watch the children in the afternoon. Everyone really enjoyed the children's singing and joined in. After the Graduation performance we all had a tea party in the garden where children and their families could relax and enjoy the delicious party food and chocolate. We would like to say a big thank you to everybody for taking their time to share such a special moment with us all. We are very proud of our children for making an effort in their performance and we wish them good luck in their new classes.

Parent & Teacher Football

On Tuesday, a football match was held between parents and staff in the garden. After a hard-fought, very sweaty match, we all decided the real winners were the children who were lucky enough to watch such a high class encounter. We hope to hold a tournament early next term and look forward to seeing you there!

Coffee Morning

We invited all new parents to a coffee morning to meet with their children's new teachers and receive a welcome pack about their child's day. We are all looking forward to the new term and welcoming you all into your new classes.
