Prospective Parents

We warmly invite prospective parents and children to visit our school throughout the year. This would include a tour of the school and an opportunity to meet teachers and students whilst observing the school in action. Eveline Day School is a happy, vibrant prep school for boys and girls aged 4-11 in South West London, nurturing children's wellbeing and academic best through fun, kindness and respect for one another. It is open 51 weeks of the year, from 7:30am until 6:30pm. Prospective parents are welcome to meet with the Head Teacher, ask questions and discuss their child's future at the school.

Admissions Process

Eveline Day School is a non-selective school for children from 3 years and above. Any child who attends one of our nurseries has automatic entrance to our school. International Relocation

Eveline Day School prides itself on having a strong sense of community, which has been created by building strong links between the staff and families. Due to Eveline Day School's location in the South West of London and the many international businesses in Central London and the City, admission for children relocating from overseas is not uncommon. The school has links with relocation agents and the Head Teacher works closely with families relocating from abroad, helping them to make the transition to a UK school as smooth as possible.

The multicultural community at Eveline Day School means that children gain a rich learning experience through their exposure to other cultures, languages, and customs. Our teachers are experienced in working with children who have recently moved to the UK and have a very good understanding of the emotional and educational needs associated with this transition.

Fees

All fees are inclusive of full day care and food. Hours daily are from 7:30am – 6:30pm Monday to Friday. Fees are paid weekly, monthly or termly in advance, preferably by standing order.

Fees are payable all year-round including Bank Holidays and one week at Christmas when we are closed. Refunds or deductions cannot be made if a child is ill, or on holiday or for any other reason.

At present we review our fees annually and we intend to continue this practice, however, we reserve the right to alter fees at any time should this become necessary. We will always give at least one month's notice of any alteration to the fees.
