

EVELINE DAY SCHOOL & NURSERIES: WEDNESDAYS, SPRING & SUMMER

Swan House school groups session overviews:

Initial briefing on all sessions:

Dog safety procedure, 123-where-are you? Recall games in the heather for safety and warmup.

Scream race on Dragon Hill for warmup.

Group name (no. of children)	Wk	Date	Class theme	Forest School theme	Activity	Games	Story	Lesson notes
(catch up group) (14)		11 th March	Superheroes	Story making	Story stones	What's the Time Mr Wolf?	Superworm/The Smartest Giant in Town	What stories are you reading at the moment? What are your favorite stories? Think about the characters- what is a superhero? What happens in the story and how does it end? How did the story make you feel? Use the Story Stones to tell stories in small groups. Make a mini environment to show a superhero or scene from your story. Tell a story in one huge group.
Group 1 (16)	i	18 th March	Superheroes	Taking care of wild places	Nature vs Litter trail	Forest Fire	The Tin Forest	It's Spring! Can we see any signs? Leaves, blossom, insects and animals, people enjoying the warmer weather outside. We will go on a nature walk, collecting different natural objects. Can you tell the difference between a natural object and a piece of litter? How did the litter get there? Why is litter bad? We will become Forest Superheroes- our mission to take care of the woodland for the animals and the environment.
Group 2 (16)	i	25 th March	Superheroes	Taking care of	Nature vs Litter trail	Forest Fire	The Tin Forest	It's Spring! Can we see any signs? Leaves, blossom, insects and animals, people enjoying

		h		wild places				the warmer weather outside. We will go on a nature walk, collecting different natural objects. Can you tell the difference between a natural object and a piece of litter? Group 1 (16)	ii	22 nd April	Easter/Growing	Wildlife of the woods	Obstacle course	Jungle animal charades	Why Elephant Has a Trunk (Tingatinga)	How many woodland animals can you name? What is happening at the moment? Baby animals are being born! Let's find out more about the woodland wildlife- where do they live, what do they eat, and can you move through the trees like a forest animal? Let's build a jungle gym! An obstacle course for us to swing, crawl, climb, jump, run and slither!
