19th September 2014

Upper Reception Tea party

Upper Reception students were delighted to invite their families for tea on Tuesday. Parents had a chance to meet other parents and also see their children in their school environment.

Our Travel Plan Team.

This year Thomas Merry is our 'Junior Travel Ambassador' to help with our School Travel Plan. By the end of the academic year 2013-2014, we were awarded with the Bronze accreditation for our Travel Plan. The reason for this is that we have all made improvements with the modes of transport that we use to travel to school using scooters, bikes and of course walking to school. We are very near to attaining our silver accreditation next and we will be asking for your support to do so. The award ceremony and accreditation seminar will be held on 17th October at 10.am at The Oval, Kennington.

Scooter News

Please could you put your child's name or a special motif on their scooter. This will help them recognize their own scooters at the end of the day.

Private Music lessons

Please give half a term's notice if you decide not to continue with your child's private music lessons, guitar, piano, drums, singing and violin lessons. Thank you.

Curriculum Changes

Please be aware of time-table changes at the beginning of term.

New Computing Teacher

We welcome Mrs Sandra Ng as our new Computing teacher. Mrs Ng has a wealth of experience in Computing and has also taught Numeracy and Science in primary schools.

Mrs Brightley

We would like to wish Mrs Brightley "good luck" on her maternity leave and look forward to her visiting us with her new baby.

Stars of the Week
